After School Programs

Engineering For Kids offers children a fun, hands-on approach to learning STEM education. For registration or information, please see the contact information below:

Crazy Concoctions

6 weeks/Thursday 2:45pm-3:30pm

Starting 12th February '15– 19th March'15

Grades PreK-2nd/\$120

The Junior Chemical Engineering classes introduce our youngest engineers to fundamental concepts of solids, liquids, and solutions. Students investigate the properties of several crazy concoctions and make their own samples of bubbles, play dough, flub, and more
