SIGN UP FORMS AVAILABLE

Land, Air and Water Camp Adventures

Schedule

June 1-5 Land Ho!

Learning about our environment and how we can protect the earth by recycling, reducing waste, and reusing things

June 8-12 It's all around us

Learning about the air we breathe, and the importance of clean air for our planet

June 15-19 Rain, rain go away

Learning about the water cycle

June 22-26 Getting around the ground

We'll learn about things that have wheels and other ways of moving on the land

NO CAMP June 29-July 3

Enjoy your independence day holiday this week

July 6-10 Up, up and away

We'll learn about things that fly and float through the air

July 13-17 Just keep swimming

We'll learn about animals and machines that move through the water

July 20-24 Where good things grow

Where does our food come from? How do land and plants affect each other?

July 27-31 Feeding our planet

How food is affected by air and weather

August 3-7 Watering our crops

How food is affected by water

August 10-14 Celebrating Land, Air and Water

We'll end the summer with a celebration of our wonderful environment

Water days!

- Wear a bathing suit under clothes and send a full change.
- Shoes that can get wet, but no flip flops because they are slippery when wet.
- A bag for wet items to be taken home at the end of the day.
- Please send a towel

Clothing

- Dress in clothes that are ready for fun and may get dirty. Please don't ask your children to "stay clean."
- No Flip-flops or Crocs outside. We want to be able to climb and run w/out slipping.
- Send a change of labeled clothes to stay at school.

Spray First

- Please apply sunscreen and bug spray before coming to school.
- We will reapply if requested. The office has paperwork that must be on file.
 - The playground is treated once a month for mosquitos.

Lunches

- We refrigerate but do not heat up food.
- Please send containers the children can open themselves if possible.
- Send labeled water bottle
- LABEL EVERYTHING!
