Additional Notes

1. Please understand that tuition at Renaissance Montessori is an **annual commitment**. Although for convenience it may be paid monthly, this amount does not vary for months with fewer school days. The total amount due by the end of the school year is as agreed to in your contract, which may be prorated depending on when during the year your family joins the school.
2. A 30-day Initial Period: Four to six weeks is generally ample time from the child's first day of phase-in to see if the school community is indeed the right fit. During the 30- Initial Period, either party (family or school) can withdraw from contract without penalty. Monthly tuition should be paid during this time, but will be prorated should family or school withdraw from contract prior to a full 30-day period.
3. Please note that tuition will begin the first day of phase in.
4. Make-up days are not available for school closings, days of inclement weather, absences and schedules less than five days. For example, a child scheduled for Monday- Wednesday will not be allowed to attend on a Thursday or Friday should school be closed on a Monday or should the child have an absence due to illness on a Monday.
5. Tuition is due for the entire month during the 9-month school year (September to May) on the first day of the month, regardless if the student is absent due to travel. Parents may pay week to week in the summer months without penalty of losing a space to allow for travel. During summer months, tuition is also due on the first day of the month.
6. Tuition will not be waived for travel or vacation days.
